The Annual Benefit for Kids is Creative Art Works' most important fundraiser of the year. Join other notable supporters and help make a difference in the lives of our city's underserved young people. All sponsors are featured in our benefit journal, which serves as our annual report throughout the year. Sponsors are also recognized in emailed newsletters and on CAW's social media and website, collectively reaching thousands in the business, commercial real estate, art, and government sectors. 93% of funds raised from the benefit go directly to the operation of CAW programs, rather than the cost of the event. Your contribution makes a direct and immediate difference. With your support, the 2026 Benefit will be an evening to remember.
