# MARC PERRONE

FORMER UFCW INTERNATIONAL PRESIDENT

Marc Perrone began his career as a teenager working part-time in a grocery store. From those early days on the shop floor to decades of service fighting for hardworking families, Marc dedicated his life to strengthening our union and improving the lives of UFCW members.

After serving ten years as UFCW Secretary-Treasurer, he was elected International President in 2014 — a role that marked the culmination of a lifetime devoted to lifting up workers and championing their rights. Marc retired in May 2025, leaving behind a legacy of bold leadership, steady vision, and deep commitment to the values that define the UFCW.

A national voice on retirement security, Marc played a central role in overseeing the UFCW's pension funds and ensuring our members could retire with stability and dignity. His leadership was grounded in a simple but powerful belief: we are stronger when we stand together — at work, in our communities, and as a movement.

Marc's career reflects a lifetime of service, innovation, and unwavering dedication to the hardworking men and women of the UFCW.

RSVP BY JANUARY 23, 2026 • FULL DETAILS ARE AVAILABLE ONLINE

The UFCW Charity Foundation's mission is to provide hardworking men and women with support in times of need. Since 1996, the UFCW Charity Foundation has provided support, relief, and assistance to members of UFCW, their families, and the communities through fundraising programs and by administering grants to eligible workers when they need it most. Thanks to the generosity of UFCW local unions across the U.S. and Canada and the philanthropy of UFCW vendors, service providers, and corporate partners, the UFCW Charity Foundation is able to have a meaningful impact. The UFCW donates staff time dedicated to UFCW Charity Foundation work. This donated time and low overhead means that nearly 100% of funds go directly to our charities. Founded in 1996, the UFCW Charity Foundation is a 501(c)(3) non-profit organization.
